**Become part of a fundraising campaign  
to refurbish this important Ojai treasure.**

This coming year marks the 80<sup>th</sup> anniversary for the Ojai Art Center and its outstanding community theater. To celebrate this milestone, the theater wants to replace the 30-plus-year-old seats and build a proper sound and lighting booth.

To achieve this goal, the theater group is launching a fundraising campaign to acquire the chairs and have them installed before the February opening of the 2019 season. A lighting and sound booth will also be built off the old light booth, freeing up 8 more chairs for the audience.

**Our deadline to raise the deposit money in time for the start of the 2019 season is September 1.**

**Will you help us spruce up this wonderful old theater so it continues entertaining Ojai for many more years?**
